Arapahoe County hotline, opportunities for news media on Election Day

LITTLETON, CO – Arapahoe County invites news media to cover the Nov. 8 General Election from our innovative Elections Facility in Littleton, or one of our Voter Service and Polling Centers.

Arapahoe County is a swing county with an active registered voter population that is split between Democratic (33.8 percent), Republican (29.4 percent) and unaffiliated (35.2 percent) voters, making it the ideal location to watch state and federal races. The County also uses the state's new uniform voting system and offers visuals of state-of-the-art equipment at our facilities.

Please call our **Election Media Hotline at 303-795-4211** to set up an interview with Clerk and Recorder Matt Crane, request election information, or schedule a visit to one of these locations:

ARAPAHOE COUNTY ELECTIONS FACILITY 5251 S. Federal Blvd., Littleton

Media are invited to cover the election and wait for results from the County Elections Facility, a 38,500 square foot state-of-the-art elections operations center with 200 workers on-site. This is a unique venue where you may film or photograph both **live ballot processing and a Voter Service and Polling Center** at one location. We can accommodate satellite trucks on a first-come, first-served basis. Wireless internet access and power are available. Site tours are available in advance.
